Hi Nikhil! Today was my LIC ADO paper! And whatever u told us in this video was 100% true!!

90 percent of the Reasoning paper was from puzzles syllogism inequality !!

And the English paper was very easy...below average... Maybe bcz its marks will not be included in the total cut off!

But i just want to say..thankyou soo much for all your efforts which makes the things alot easier for us!

I use to trust on your videos before too but now after today's exam i can trust ur strategies 200% !!

My main goal is ibps po n today was my first gov exam.. N ur videos has helped me alot bcz i am very new in this and have no knowledge about the pattern cut off course books... And u have resolved all my problems.. Please keep guiding the students like me! And if i would be able to crack my goal the first credit will go to YOUUU!!!! 🧡🧡🧡
